Dear Mrs Mansour,

Following your outstanding support to the Prince Albert II of Monaco Foundation, I would be delighted to welcome you in the *Planetary Health Pledge Club*.

This private Club was launched by the Foundation in 2019 with the ambition to bring together the most influential philanthropists around issues relating to the protection on the environment.

Members of this circle are invited to exclusive gatherings twice a year, offering privileged access to high level events as well as private exchanges with world renowned environmentalists.

The upcoming Club session will take place in the framework of the 2022 Prince Albert II of Monaco Foundation's Award Ceremony. I have the pleasure to attach the programme of this forthcoming gathering.

As new members, HSH Prince Albert II would honour you with a special medal of his Foundation directly after the ceremony.

I would be very grateful if you could confirm your interest in joining this circle.

In the meantime, the Foundation's team remains at your entire disposal to provide you with any additional information you may need.

Yours sincerely,

Olivier Wenden
Vice-President & CEO
